SCEC Rate Schedules 2023 effective 1/1/2023
Rates subject to change without notice.

Summer kWh Rates

Effective during the billing months of June through October.

Winter kWh Rates

Effective during the billing months of November through May.

Cycled Air Conditioning

The cycling of a cooling system(s) during the four-month summer credit period (June-September) as needed during peak demand hours. The compressor shall be limited to operating for a 15 minute ON period followed by a 15 minute OFF period.

Taxes

The rates do not include Wisconsin and county sales tax, which must be added to each bill when applicable by law.
