

Community CENTS

**The Power of
Co-op Members**

**St. Croix
ELECTRIC**

A Touchstone Energy[®] Cooperative

The power of human connections

The **Community Cents** program was created in 2017 to increase the impact of St. Croix Electric Cooperative's **Commitment to Community Grant** program. **Community Cents** allows members to round up their monthly electric bill to the nearest dollar. The extra "cents" are added to the annual **Commitment to Community Grant** allocation the following year, with applications reviewed in June and November. Members can watch their "cents" add up each month in *Energy Lifestyles Magazine*, in the form of an updated graph of **Community Cents** funds. On average, a member would contribute \$6/year (up to \$11.88 if they rounded up \$0.99 each month, which is highly unlikely).

There are multiple ways to enroll in Community Cents: **1)** Fill out the form below and return with your payment; **2)** contact the office at 715-796-7000 or email billing@scecn.net; **3)** online at www.scecn.net, scroll down and click on the **Community Cents** logo on the lower-left side of the home page; **4)** check the box on the remit slip of SCEC's monthly electric bill. *By enrolling in the program, members understand they are enrolled until they notify SCEC in writing to cancel their enrollment.*
