The Board of Directors has approved the creation of a new program called ***Community Cents*** to increase the impact of St. Croix Electric Cooperative's Commitment to Community Grant program. ***Community Cents*** allows members to round up their monthly electric bill to the nearest dollar. The extra "cents" will be added to the annual Commitment to Community Grant allocation the following year; applications are reviewed in June and November. Money collected in 2017 will be used in 2018. Members can watch their "cents" add up in *Energy Lifestyles Magazine*, which will include an updated graph of ***Community Cents*** funds each month. The \$500 maximum award per organization in a calendar year remains.

There are multiple ways to enroll in ***Community Cents***: **1)** Fill out the form below and return with your payment; **2)** contact the office at 715-796-7000 or email billing@scecn.net; **3)** online at www.scecn.net, scroll down and click on the ***Community Cents*** logo on the lower-left side of the home page; **4)** check the box on the remit slip of SCEC's monthly electric bill. By enrolling in the program, members understand they are enrolled until they notify SCEC in writing to cancel their enrollment.
